Executive Summary
Award up to 3 Points

Summary describes the overall project, including objectives and expected impact.

Summary provides basic details needed to understand intended project.

No details provided to understand intended project.

Project Objectives
Award up to 4 Points

Clear and concise goals and objectives that align with one or more funding pillars.

Goals and objectives are clear however project does not clearly align with one or more funding pillars.

Provides some description of goals and objectives, but lacks details.

Project goals and objectives are unclear.

Work Plan & Timeline
Award up to 4 Points

Well-thought-out work plan that includes a detailed budget, timeline, and other potential funding sources, if applicable.

Work plan encompasses a budget breakdown, overview, timeline, and potential funding sources; however, it lacks specificity and fails to offer alternative options if not granted full funding.

Work plan is sufficient as it covers both the total budget and timeline.

No work plan or timeline provided for intended project.

Connection to Mission
Award up to 5 Points

Project clearly aligns with mission of the Providentia Endowed Fund and one or more of the funding pillars.

Project clearly connected to the mission of supporting and amplifying women and the projected impact is identified. Connection to funding pillars needs more clarity.

Description identifies some connection to the mission of the Providentia Endowed Fund but lacks clarity.

Description is unclear about the project connection to the mission of The Fund.

Description does not include connection to the mission of the Providentia Endowed Fund.

Overall Impact
Award up to 5 Points

Clearly defines measurable impact for overall outcome for project.

More clarity needed despite the project's conveyed impact.

Project has potential for strong impact but is not clearly defined.

Minimal measurable impact on the project's outcome has been defined.

Has no measurable impact for outcome of project.

Creativity
Award up to 3 Points

Project demonstrates strong creative and innovative elements.

The project showcases some imaginative and innovative elements.

Project demonstrates limited creative approaches or original ideas.
